

We still get calls every once in a while. It's usually a survey, I tell them they are soliciting my time, when they tell me they can call. Had one the other day with a 2 minute recording about the ACLU and soliciting donations. Jersey's law should be upheld. I'm 67 and don't want to be bothered by Telemarketers! The improvement in the quality of life without unsolicited phone calls has been invaluable. Impose the Fines! Let the telemarketers get a real job! Thank you.
